UPCOMING ACTIVITIES -- NEED VOLUNTEERS

- *Oct 24** **East Islip High School Career Breakfast**
Location: Irish Coffee Pub, East Islip, from 8 to 10 a.m.
Business professionals share with students what it is like to be in their careers and share with students what it takes to be successful in their career
Needed: Professionals in computer networking, software engineering, design engineering, graphic design, accounting, and international business
- *Nov 1** **Smithtown High School Internship Fair**
To be held at the Stony Brook Holiday Inn Express.
Needed: Business representatives interested in hiring a SHS student as a paid or non-paid intern
- *Nov 2** **Hauppauge Middle School Career Day**
Students learn about various careers through discussions with professionals and hands-on experience. Time: 8:00 – 11:00 am
Needed: Business Representatives to participate
- *Nov 16** **Smithtown High School International Business Career Day**
Location Smithtown HS West Library from 9 .a.m to 1 p.m.
Students are interested in knowing what careers are available, what they can do to prepare themselves for these careers, and whether your organization offers internship opportunities. Request that presenters prepare a display with brochures, pamphlets, and other information about their business.
Needed: Business Representatives to participate
- *Nov 29** **Massapequa HS 5th Annual Technology & Health Care Career Fair**
The event will be set up with individual tables for each presenter who are encouraged to bring along handouts, flyers, and/or giveaways for the students, as well as an example of some of the tools and/or technologies used in that career field to demonstrate to the students.
Needed: Business Professionals to attend
- *January** **Stony Brook University 'Fun with Engineering' Day**
High school students visit the Stony Brook University campus for hands-on projects, campus tours and interactive discussions with professors, college students and business professionals
Exact date and registration logistics tbd
